

## **Power to Change the World**

### **Chorus**

**Whoa, we're gonna change things**

**One by one rearrange things**

**Filling up a bucket seems like a small, small thing**

**But it has the power to change the world.**

Wanna Change the world? We have the power

Every minute and every hour

Take a look around what do you see?

Lots of people like you and me

Folks teasing Tiana, Picking on Juan

Laughing at Lexi, Leaving out Shawn

Ragging on Ryan, Pushing 'round Dwight

Making fun of Molly, It's just not right

### **Chorus**

Dipping buckets, that's not fair

On the bus, the playground, everywhere!

Too much worry, too much fear

Want to change the world? It starts right here!

By not joining in when others dip

Catching ourselves when we start to slip

When a person in trouble needs a friend

We know what to do, we step right in

Take my hand, come along

We're all connected, we all belong

Let's make this world a better place to be.

**(Repeat Chorus Twice)**

It has the power to change the world.

It has the power to change the world.
