

Truthfulness

If I like truth I've got you to thank
Your word's worth more than money in the bank
You say what you mean and mean what you say
Sometimes I don't like it but that's OK

Chorus

**Truth, truth, truthfulness
No means no - yes means yes
Lyn's playin' with a hornet's nest
Cause Truth is Truth, no more no less**

I never worry 'bout what you mean
Cause you're as honest as the grass is green
You never trip up on some old lie
You serve it up straight and look me in the eye

Chorus

There's no such thing as a little white lie
It comes right back like a stick in your eye
It'll tie you in knots that you can't untie
And any fool knows why

Chorus

Cause Truth is Truth,
Truth is truth,
Truth is truth, no more no less
